Matron Tabatha King has been employed with the Baxter County Sheriff's Department working as a jailer and reserve deputy for three years. She is proficient in performing her job in the jail and can cover were ever she is needed. She has assisted in training and welcoming new hires into the jail. I would like Tabatha to listen to supervisors when instructed to do an assignment without arguing. Also, if there is an issue about getting to work on time let supervisors know as soon as possible. Tabatha King has been helpful when the jail is shortanded and volunteers to stay and help until all duties are caught up.
